## **Annexure – II**

**2015-16**

### **Best Practice – I**

- 1) Title – Voters registration awareness programme
- 2) Goal – The said programme was conducted to make students aware about social commitment & responsibility alongwith regular study. Through such programme the students get the opportunity to learn about their responsibility and commitment towards society in which they live.
- 3) The context – Democracy in the very base of our nation. Election in the backbone of it. But the society is unaware about the power of their votes. The people even are very disinterested to register themselves as the voters. In this concern the awareness programme is conducted.
- 4) The Practice – To make them aware about their voting right, the students of the college prepared a street play on the same subject and near about 200 performances are performed in province of Ichalkaranji, The NSS department, Vivek Vahini, Cultural Committee & Rotract Club of College took initiatives and did it successfully.
- 5) Problem Encountered – Most of the people were not aware about the significance of voting. They even were not aware that through voting they can entirely change the social as well as political scenario, which can make their life happy and secure. People of weaker sections were thinking about the short term monetary benefits from the conditions.
- 6) Evidence of success – The Awareness is created among the people and most of the people registered themselves as voters as they were not serious earlier. They changed their views about the monetary benefits and understood thoroughly the right of voting. They came to know they can change the political face by their voting to the proper candidate thus the percentage of voting was increased.

**Best Practice – II**

- 1) Title – Clean India ( Swacha Bharat Abhiyan)
- 2) Goal – It aims to clean up the streets, roads and infrastructure of India.
- 3) Context – Due to the dirtiness all the Indian population suffering by the serious hygienic problems and the environment problem which has reached to a dangerous height.
- 4) The Practice – The year 2016-17 our college contributed the campaign of Clean India. Through ‘Vivek Vahini’, ‘NSS’, ‘Cultural Committee’, we have started an active campaign of cleanliness. A street play is set on the subject and near about 150 performances were organized in the province of Ichalkaranji. Campus of the college and slum area the students were actively participated along with other NGOS and they worked in the same area. The people of the area were made acquainted with the serious problems of the dirtiness and pollutions. The people of the area also got actively participated in the task.
- 5) Problems Encountered – The students of our college are earners. After the duty hours and holidays they could go for the campaign. The people were unaware about their conditions. The students tried to make them aware about the cleanliness.
- 6) Evidence o success – Communication with the people and active participation of the students got a success. They are ready to keep their area clean and non-polluted. Most of them stopped open defecation by using ‘Pay and Use’ toilets. Some of them owned the toilets with the assistance of the govt. schemes.
